Annual Report

2013

"CCWS's ministry builds **bridges of hope in the lives of families**. I was impressed with the teamwork of volunteers, from all walks of life, united around the goal of upholding God's greatest gift...of LIFE. My prayer is that partners in our local church will connect with the vision of the CCWS to champion the value of LIFE, through volunteering, and giving of time and resources."

-Pastor Jonathan Damon
Gateway Church, Parkesburg

"CCWS has the opportunity to help women at a truly pivotal moment in their lives: when they must decide how to proceed in the face of an unexpected pregnancy. Your organization not only helps them understand the facts and examine the options, but provides supportive counseling, education, and materials to **enable families to make life-affirming choices**."

-Kim Flaville
Sr. Vice President of the Connelly Foundation

"I have been volunteering at Chester County Women's Services for five years. After being a Mom/baby nurse in a hospital setting and as a visiting nurse, I was drawn to CCWS.
I always want to spend my time in a meaningful way, and to **share God's love and care** to the young women who come into our office seems to me to be meaningful and honoring to God. To be volunteering with other believers is the icing on the cake!"

CCWS extends a heartfelt thank you to Brenna Carnuccio, Miss Central Pennsylvania 2013 for all of her efforts on behalf of CCWS. She was a valuable advocate for us in many ways throughout the year representing us at various events and fundraisers including our auction. Brenna delighted guests young and old at our Chick Fil-A fundraising nights by coming as a "real-life" princess. We are so grateful to you, Brenna, for all that you did to support Chester County Women's Services. God Bless You!

Saving Lives and Growing Strong Families Since 1985

2013 Highlights

- The Kennett Square center opened in February of 2013. We now have **three medical centers located throughout Chester County**: Coatesville, Kennett Square, and West Chester.
- **Our primary mission is to reach abortion-vulnerable women**. However, we will not turn away any who need help. As a result, we are working on expanding our educational and counseling services, and plan to re-design our website to make it more mobile friendly and easier for clients to get the information they need to make positive choices for themselves and their families.
- We participated in the **National 40 Days for Life** campaign. In May, we had an open house and intercessory prayer at all three of our centers, in honor of the **National Day of Prayer**. We pray daily for our clients, our volunteers, our staff, and our supporters.

Liliana shared her story at the Spring Banquet:

While on her way into an abortion clinic, Liliana was given a coupon for a free pregnancy test at our center. Liliana decided to come to CCWS. Health issues with a high-risk pregnancy, three children, the start of a new job and possible marital separation all created a crisis of decision for Liliana.

Our counselors shared options with Liliana and after much conversation and prayer, she made the decision not to have an abortion. Even with the premature induced labor to save her baby, and the health issues she encountered afterward, nothing could hide the joy that she, her husband, and her other children have with their new daughter and sister, Lilly.

Because of you, Liliana and her family received rent and other needs to keep them safe and healthy through their crisis. She and her husband renewed their commitment to each other and to their family. Liliana was at our Spring banquet and shared in Spanish the testimony of God's faithfulness in her life. Because of you, Lilliana knows she is a beloved child of God, and she is able to pass on that love to her husband and her children.

We pray daily for our clients and the choices they are facing.
