Chester County
WOMEN'S SERVICES
Pregnancy Care Medical Center

"We are a Pregnancy Care Medical Center that exists to educate and empower individuals and their families to make life-affirming choices"

Annual Report 2014

"Chester County Women's Services Medical is so much more than a crisis pregnancy center. It is a ministry of love. For what other response is there when someone is in crisis: scared, confused and alone. The love of Christ is the only power that can transform us to make changes in our lives based on truth. The power comes with hope, as the veil is lifted to expose a highway to heaven where He holds our hand and guides us forward through the trials in our lives to bring life abundantly."

-Karen Huntsman
Board President

"The mission and ministry of Chester County Women's Services isn't just about saving unborn lives, but compassionately caring for the moms who find themselves in crisis pregnancies, and for the dads who often feel left out of the choices and responsibilities in which they want to be involved. The gentle witness to the gospel, the competent medical care, and the loving social network which CCWS so comprehensively provides to all those who pass through their doors doesn't simply save but radically transforms the lives of so, so many. What a privilege it is for our church to partner with CCWS!"

-Pastor Tim Kriebel
Bethlehem United Methodist Church, Thornton

"God has truly blessed me with a desire to help others. Shortly after graduating from high school my best friend called me in a panic because she was pregnant. She chose life and now has a beautiful daughter. Another friend I was with in college also chose adoption for her baby. I was able to share with her my faith journey and how to pray. These two events were tucked away in my mind and heart. Six years ago I was able to come to CCWS. Comforting and educating the young girls that walk through the door continues to bless me immensely."

Ethel lives in a nursing home, but she makes hundreds of pregnancy tote bags for the center each year! They are filled with a Bible and a hand-knitted blanket, and given to the clients.

There's always plenty of office work to do. Thanks Susie!

Stories of Hope From Our Clients, Thanks To Your Support

"Thank you for helping me when I needed someone the most."

"This class is a treasure I've found, and I will cherish the knowledge I've gained here. I wish there were more classes offered, and offered more often!"

"I had an abortion before, so I was planning on doing it again when I found out I was pregnant. But when I saw my baby on the ultrasound, I was shocked. I had no idea it looked like that. Thank you for talking with me about my options. I know now that abortion isn't the only answer, and I'm looking forward to being a mom to my new baby. He's not even here yet and I already love him."

"The Women's center has been a huge blessing with everything! The store has helped me save with diapers, wipes, etc. That's a huge, huge blessing!"

"My first baby was due in two months and I had nothing. I didn't know what I was going to do. But through your program, I was able to get clothes and earn points for a crib and mattress through the parenting classes. Thank you for caring so much for me and my baby and for praying for me."

"Children are a gift from the Lord; they are a reward from Him."

Psalm 127:3 (NLT)
