"The staff is very professional. They have the ability to communicate with you as a friend but on a professional level. They have so much knowledge and when they don't have the answer they easily access resources to get it."
-Parenting Class Client

CCWS is a Pregnancy Care Medical Center that Exists to Educate and Empower Individuals and their Families to Make Life-Affirming Choices.

Your Support Matters

Nicole* was scared. Her world was crashing in front of her eyes, and just when things couldn't get worse she learned she was pregnant. She wasn't prepared to parent a baby, especially alone. She planned to terminate her pregnancy. She came to CCWS seeking help, and was met with staff and volunteers that listened, supported and encouraged her. Nicole's experience at CCWS was life-saving. She ultimately changed her mind and chose life for her child because she felt empowered and supported.

Nurse Kalya with baby

Nicole's baby was born June 2, 2019. She said, "You all helped save my baby's life. I can't imagine my life without him. I am so thankful that you were here for us. Thank you."

Nicole continues to come to CCWS for support and encouragement. She is setting goals and making progress daily. We are so thankful to have Nicole and her son be a part of the CCWS family!

*Name has been changed.

"Being a single mom-to-be with no family or support nearby was really scary. But CCWS treated me with so much love and kindness - Christ's love. It changed me. Now, I'm not scared because I know I am not alone, both physically and spiritually. Thank you from the bottom of my heart."

A Note From The Executive Director

As I reflect on my 10 years serving at CCWS, I am thankful for my heavenly Father's leadership, wisdom and grace. What a blessing to see the ministry continue to grow in ways I never imagined. This report presents the encouraging numbers on paper but come visit one of our Centers to experience the encouraging atmosphere that is filled with hope and love. We are thankful for another year in which we (you and I) get to help save the lives of our most precious little ones. Thank you for your continued support.

May God bless you richly,
Myriam Ruager

VOLUNTEERING AT CCWS

"Our world is in such confusion about when life begins. Life begins in the womb, a fact so few understand or believe. It is God who creates this life, and CCWS makes a clear statement to all the clients who come in about this important fact. They share this information in a clear, loving, kind way; proclaiming the gift of salvation, through Christ.

This is the reason why I continue to volunteer. To see the faces of many who come in disturbed, confused, hopeless and helpless, leave with peace and hope on their faces. The staff works diligently for each client, always putting the client first, and bathing the client in prayer each day."
