Dear Friends,

We are thrilled to extend a warm invitation from Chester County Connect Care (CCCC) to engage in our much-anticipated annual 5K for Life event on November 11, 2023, at Hibernia Park in Coatesville, PA. This 5K gathering is a family-oriented event, **drawing a crowd of over 300 runners and walkers annually**. We invite you to participate as sponsors or to spearhead a team as valued members of our community partnership.

Why should you consider participating? By aligning with CCCC, you play a pivotal role in ensuring that every individual who turns to CCCC receives not just medical assistance, but also access to essential resources, education, and unwavering support. Your contribution aids in fostering a nurturing environment for raising healthy children within stable and loving households, all while advocating for the sanctity of life from a Biblical standpoint. Your involvement translates into tangible support for the preborn babies. It's important to note that our services have been provided to our community free of charge since our establishment in 1985, largely thanks to supporters like you.

Can we kindly request your support in helping us attain our event goal of \$40,000 by becoming a business sponsor for our upcoming 5K for Life? This not only acts as an encouragement for our donors and supporters to further engage but also offers valuable exposure for your business, highlighting your community contributions. Please refer to the enclosed form for sponsorship levels and associated benefits.

In addition to reaching hundreds of event participants, your sponsorship will resonate with an even larger audience through our e-blast communications and dynamic social media campaigns. Please fill out the enclosed form and ensure it's returned by October 13, 2023, to ensure your entitlements are secured.

Consider the possibility of forming a team with ten of your colleagues, friends, or family members. If you register your team by October 13, we will proudly showcase your team's name in our marketing and promotional materials for the race. These materials encompass social media advertisements, posts, e-blasts, and promotions on our website. Register your team today at visit: runsignup.com/cccc5kforlife or scan the below QR code!

We wholeheartedly appreciate your consideration of our appeal to contribute to the empowerment and support of families in Chester County.

Warm regards,
